IN RE: Application of Operator Service Company for)	ORDER APPROVING

)	AND AMENDING
)	CERTIFICATE

This matter comes before the Public Service Commission of South Carolina (“Commission”) by way of a request filed by Operator Service Company, Inc. (“OSC” or the “Company”) to amend its Certificate of Public Convenience and Necessity by a change in the Company’s name. By its request, OSC advises the Commission that OSC seeks approval of a change of the Company’s name from Operator Service Company, Inc. to Operator Service Company, LLC.

A review of the Commission’s records reveals that OSC was granted authority to operate as a reseller of telecommunications services in the State of South Carolina by Commission Order No. 93-760, issued August 23, 1993, to Operator Service Company. We note that the record of this Commission does not reflect approval of a change in the Company’s name to Operator Service Company, Inc.

By letter dated February 21, 2005, OSC notified the Commission of OSC’s intent to change the Company’s name from Operator Service Company, Inc. to Operator Service Company, LLC. With the Company’s letter notifying the Commission of the

name change, OSC filed a Notice of Name Change and Partial Ownership Change. From the transaction depicted in the Notice, OSC became a limited liability company, thus the present name change request of OSC. OSC filed a Certificate of Authorization of the South Carolina Office of Secretary of State and the Company's replacement tariff, both documents reflecting the name change of the Company. OSC requests that the Company's present filing become effective on March 26, 2005.

At its regularly scheduled meeting on March 8, 2005, the Commission reviewed the case before it and after due consideration, the Commission concludes that the request of OSC for approval of a change of name should be granted. Accordingly, the Certificate of Public Convenience and Necessity granted to OSC should be amended to reflect the Company's new name.

The Commission therefore grants the following name change:

FROM: Operator Service Company, Inc.

TO: Operator Service Company, LLC

The Commission's records will hereby reflect the change of the name of OSC.

IT IS THEREFORE ORDERED THAT:

1. Operator Service Company, Inc.'s request for approval of the change of the Company's name from Operator Service Company, Inc. to Operator Service Company, LLC is hereby approved.

2. This Order shall remain in full force and effect until further Order of the Commission.
